From psalm 34, (abridged)

I will extoll the Lord at all times; his praise will always be on my lips. I will glory in the Lord....glorify him with me. Let us exalt his name together. I sought the Lord and he answered me; he delivered me from all my fears.

Heavenly Father,

Thank you for the New Year and all the hope it brings. Help us to be a light of hope to those in need, to be an example of your love and mercy, and to tell others of your great grace and glory.

Sovereign God, ruler of all creation, you sent Jesus to testify to the truth: that you alone are the Lord of life. Help us to listen always to his voice so that we may proclaim his kingdom of justice, peace, and endless love; through Christ, who reigns forever.

Jesus Christ, our Sovereign and Saviour, you pour out your power for the powerless and your salvation for the lost. Remember us in your new creation, so that we may live in peace with you in the presence of the Holy One, to whom be all honour and glory, through you, in the Holy Spirit, now and forever.

Father God,

We pray for all people around the world who are unable to work or who have lost jobs due to the pandemic. We pray that you will provide for them in their time of need. Thank you for various Charity partners and churches around the world who have been able to reach so many people with vital support. Please continue to guide them to those who are most in need.

Heavenly Father, I ask you to strengthen my mind, body and spirit today. When I'm weary, may I be refreshed. When I'm worn, may I be renewed. When I'm broken, may I be restored. When I'm fearful, may I become faithful. I pray that I walk in complete confidence today knowing that the Lord Almighty is with me.

Creator God, forgive our moments of ingratitude,
the spiritual blindness that prevents us from appreciating the wonder that is this world,
the endless cycle of nature, of life and death and rebirth.
Forgive us for taking without giving, reaping without sowing.
Open our eyes to see, our lips to praise, our hands to share.
May our feet tread lightly on the path we tread
and our footsteps be worthy of following
for they lead to you.

Creator God, this earth is miraculous and beautiful. Forgive our confusion and inaction as we confront the challenges of climate change. In the light of your truth, seen so clearly in the life and teaching of Jesus, help us to re-examine ourselves and our lifestyle choices and see clearly the implications of how we live, on all that sustains life on this earth. May we follow your lead in caring for every aspect of this precious world, which you made and love. We pray for world leaders to find new, just and radical agreements that will protect our fragile world for future generations.

Throughout history you have moved people to do amazing things for the sake of their neighbours. Inspire us now to work together, as your people, to change priorities in the way we live, so that we build a fair and safe world for all your creation; a world where your will is done as it is in heaven. We pray in Jesus' name.

Come, Lord Jesus, do not delay;
give new courage to your people who trust in your love.
By your coming, raise us to share in the joy of your kingdom
on earth as in heaven,
where you live and reign with the Father and the Spirit,
one God for ever. Amen.

Heavenly Father, thank you for loving me; thank you for forgiving me. Thank you for showing me my worthiness and for pursuing me. I am in awe of you Lord! I submit my heart to you Lord. May your Holy Spirit transform me and make me like you. In Jesus' name.
