God of power and might, thank you for the gift of Love and for all the people whose love shines in my life. Continue to fill my heart with your love and let me share that love with the world today and always. Amen.

Lord, how can we ever thank You enough? You endured more pain, more shame, more sorrow, more grief than we can possibly fathom. Help us remember why You gave Your life. Because of love. Because of mercy. Because we desperately need them both. In Jesus' Name, Amen.

Father, thank you for intervening in my life and allowing me to have a personal relationship with you. Thank you for your love for me today and forever.

Thank you for the blessings you've given me and my family. Help us to use those blessings to bless others. May I live a life of true joy as I see you at work around me today! In Jesus' name. Amen.

Heavenly Father,

Thank you for each new day of life. Help us to be a light of hope to those in need, to be an example of your love and mercy, and to tell others of your great grace and glory.

Loving God you invite us to spend time with you personally and alone. During this 'extra' time we find we have, help us to draw closer to you, to sit at your feet not rushing away, spending time in your presence and sensing your wonderful peace. Whether time seems to have slowed down or quickened during lockdown, help us to put you first at the start of each day and rest in your presence at the end of each day. May the ticking of a clock be our constant reminder to bring all our worries and joys to you.

Sovereign God, ruler of all creation, you sent Jesus to testify to the truth: that you alone are the Lord of life. Help us to listen always to his voice so that we may proclaim his kingdom of justice, peace, and endless love; through Christ, who reigns forever.

Creator God, this earth is miraculous and beautiful. Forgive our confusion and inaction as we confront the challenges of climate change. In the light of your truth, seen so clearly in the life and teaching of Jesus, help us to re-examine ourselves and our lifestyle choices and see clearly the implications of how we live on all that sustains life on this earth. May we follow your lead in caring for every aspect of this precious world, which you made and love. We pray for world leaders to find new, just and radical agreements that will protect our fragile world for future generations.

Throughout history you have moved people to do amazing things for the sake of their neighbours. Inspire us now to work together, as your people, to change priorities in the way we live, so that we build a fair and safe world for all your creation; a world where your will is done as it is in heaven. We pray in Jesus' name.

Come, Lord Jesus, do not delay;
give new courage to your people who trust in your love.
By your coming, raise us to share in the joy of your kingdom,
on earth as in heaven,
where you live and reign with the Father and the Spirit,
one God for ever. Amen.

Heavenly Father, thank you for loving me; thank you for forgiving me. Thank you for showing me my worthiness and for pursuing me. I am in awe of you Lord! I submit my heart to you Lord. May your Holy Spirit transform me and make me like you. In Jesus' name.
