Urgent! From ReVive (received Thursday 25th Feb)

Just a quick message to ask for prayer for Maria Clara, a 10 year old girl from Revive. She's been in and out of hospital since Christmas with an unknown rheumatic condition. This has now caused MAS (Macrophage Activation Syndrome) and her liver and spleen are in partial failure - this is a life-threatening condition.

Please pray for healing, her treatment and that she, and the staff looking after her 24/7 by her bedside, may know the Lord's peace during this difficult time.

Latest news: We've just had some great news from the hospital - her doctor was 'blown away' by her response to the treatment - much better than he had hoped for. We give thanks to God for this mini-miracle. We're now hoping that her organs, specifically her liver and spleen, will continue to improve.

Please do keep praying for her recovery, for the staff who tirelessly care for her, and for her adaptation to a potentially life-long condition.

Prayer list: Linda, Mavis, Pam, John, Rupert, Rebecca, Emma, Brenda M, Ann H, Ann C, Hugo, George & Marie B, Ian, Mandy, Stephen R.

From the Book of Remembrance: we give thanks for the lives of:

Thomas Jarman, Andy Logan, John Jarman, Thomas Lascelles, Robin Tattam.

Please pray for our church members and their families: this week we remember:

Mandy and Merton C, and all those who live and work in The Sanctuary.

Mission Partner: This week we pray for the work of the water and sanitation projects in Kigezi, Uganda.

WHO Covid-19 solidarity response fund

In Britain we are greatly blessed with scientists who have developed a vaccine against Covid, and also with the NHS which offers a **free** vaccination to everyone. Many of our brothers and sisters around the world are not so fortunate. As a gesture of thanksgiving for these blessings please consider giving to the World Health Organisation's Covid-19 response fund which seeks to help countries prevent, detect, and respond to the COVID-19 pandemic, especially where needs are

greatest. Money raised through the Fund can be disbursed at speed and flexibly, so it gets where it is most needed as quickly as possible.

You can donate online via this link: [COVID-19 Solidarity Response Fund](#)

or if you are a CAF account holder you can use this link: [CAF](#)

You can send a cheque to the **Red Cross** who are also supporting this appeal, but you must **specify** it is for the **Global Coronavirus Appeal**.

Address: British Red Cross 44 Moorfields, London EC2Y 9AL.

The contact number of **British Red Cross** is 0844 871 11 11.

Thank you for your generosity.

We ask you, Jesus, to forgive us for the times when our actions damaged your creation and its inhabitants, including indigenous communities. Give us greater awareness to understand the realities and struggles faced by indigenous peoples around the world. May our actions allow us to participate in your reconciling work.

Amen.

Sovereign God, ruler of all creation, you sent Jesus to testify to the truth: that you alone are the Lord of life. Help us to listen always to his voice so that we may proclaim his kingdom of justice, peace, and endless love; through Christ, who reigns forever.

Father God, thank you for giving us freedom. Thank you for liberating us into abundant lives. We think of those who, for whatever reason, are not free. Help us to bring about a world where no one is kept in slavery. Help us root out and end this injustice. Amen.

God of power and might, thank you for the gift of Love and for all the people whose love shines in my life. Continue to fill my heart with your love and let me share that love with the world today and always. Amen.

Lord, how can we ever thank you enough? You endured more pain, more shame, more sorrow, more grief than we can possibly fathom. Help us remember why you gave your life: because of love and because of mercy. Because we desperately need them both. In Jesus' Name, Amen.

Heavenly Father,

Thank you for each new day of life. Help us to be a light of hope to those in need, to be an example of your love and mercy, and to tell others of your great grace and glory.

Loving God you invite us to spend time with you personally and alone. During this 'extra' time we find we have, help us to draw closer to you, to sit at your feet not rushing away, spending time in your presence and sensing your wonderful peace. Whether time seems to have slowed down or quickened during lockdown, help us to put you first at the start of each day and rest in your presence at the end of each day. May the ticking of a clock be our constant reminder to bring all our worries and joys to you.

Heavenly Father, thank you for loving me; thank you for forgiving me. Thank you for showing me my worthiness and for pursuing me. I am in awe of you Lord! I submit my heart to you Lord. May your Holy Spirit transform me and make me like you. In Jesus' name.
