

We are all aware that our planet faces some serious challenges as a result of human activity leading to climate change. Sometimes these challenges seem overwhelming and that there is not a lot we can do as individuals. However, there is that African proverb which goes along the lines of 'if you think you're too small to make a difference, try spending a night in a room with a mosquito'!!

One thing we can do is look at how much carbon we produce. One website which is quite helpful is here: <https://www.climatestewards.org/offset/>
I am not suggesting you pay the cost of offsetting your footprint (although, of course, you could). Rather that we start being intentional about making decisions which reduce our footprint.

Milk Bottle Tops

Please could you wash and bring to church those milk bottle tops from plastic milk cartons. Beth G's Guide unit is collecting them to raise funds. Thank you.

Pastoral Visiting

If anyone would like the opportunity for a slightly longer chat than time affords after a church service please feel free to contact me.

Thank you. Rev. Ian

My notes

Collect for the week

Almighty God,
by the prayer and discipline of Lent
may we enter into the mystery of Christ's
sufferings,
and by following in his Way
come to share in his glory;
through Jesus Christ our Lord.
Amen.

A Prayer for the Ukraine

God of peace and justice,
 we pray for the people of Ukraine today.
 We pray for peace and the laying down of weapons.
 We pray for all those who fear for tomorrow,
 that your Spirit of comfort would draw near to them.
 We pray for those with power over war or peace,
 for wisdom, discernment and compassion
 to guide their decisions.
 Above all, we pray for all your precious
 children, at risk and in fear, that you
 would hold and protect them.
 We pray in the name of Jesus,
 the Prince of Peace.
 Amen.
